Benefits

1. Nestable one-eight plastic pallet
2. An excellent solution for small sales floors as well as product displays with an average speed of sale
3. Equipped with special locking points to fix displays
4. Designed with an innovative plug-in system making it possible to combine several pallets into larger units
5. Conical feet provide the pallet with secure positioning and enough space for transport on a hand pallet truck skid
6. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Specific colors on request
2. Individual marking and labeling
