Benefits

- Strong 6-runner plastic pallet for loads up to 1500 kg in the high rack
- Set a new standard for the European beverage industry
- Made by using gas-assist technology to make the pallet extra strong
- Optimal material handling through the use of grommets
- Designed with an extra-wide opening between the blocks enabling an easy use and preventing damaging of the pallet
- Various anti-slip options are available
- Reusable pallet made of recycled plastic and 100% recyclable

Options

- Anti-slip strips on deck, grommets under deck, rubber inserts under blocks
- RFID transponders and other IoT options
- Individual marking and labeling
- ESD prevention: anti-static
