Benefits

- Giant pallet box with 1400 liters capacity
- Stackable up to 7 (1+6) high
- Excellent stacking stability thanks to stacking locators
- Great impact strength on the lower side of the box
- Strong runner attachment to the base
- Perfect forklift grip through the use of 8 grommets under the base
- Label holder for easy identification
- Reusable rigid container, 100% recyclable

Options

- Safety rims (13 mm)
- Stacking locators (29 mm)
- Replaceable runners
- RFID transponders and other IoT options
- Different colors available (grey, blue, black, red, green) and other colors on request
- Individual marking and labeling
- ESD prevention: anti-static
- Further versions: 6 runners / closed walls
- Also available made from recycled material for non-food contact applications
