Benefits

1. Robust pallet designed with the special size 1200 x 900 mm
2. Manufactured with impact-resistant PP, the pallet is very durable
3. Excellent for loads that, given their special size, are either too small for industry pallets or too big for the Euro-size pallets
4. Ideal for semi-hygienic applications and applications with high circulation rates in open and closed pools
5. Equipped with a safety rim to keep the load in place
6. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Grommets under deck
2. RFID transponders and other IoT options
3. Specific colors on request
4. Individual marking and labeling
5. ESD prevention: conductive and anti-static
