Benefits

1. Euro E7.1 is a recycled plastic pallet with dimensions of an EUR-pallet
2. Perfect to replace wooden pallets in automatic warehouses and transport systems
3. Robust design ensures long service life in high rotation environments
4. Steel profile inserts reinforce the runners making it ideal for high rack storage
5. Completely closed runners
6. Reusable pallet made of recycled plastic and 100% recyclable

Options

1. Safety rim, strips on deck, grommets under deck and under runners
2. RFID transponders and other IoT options
3. Specific colors on request
4. Individual marking and labeling
